

gl_fwd_1_word

```
graph LR; A[gl_fwd_1_word] --> B[gl_fixup]; A --> C[is_whitespace]; B --> D[gl_putc]; B --> E[gl_puts];
```

A control flow graph with four nodes. The first node, 'gl_fwd_1_word', is shaded gray and has two outgoing arrows. One arrow points to 'gl_fixup' and the other to 'is_whitespace'. From 'gl_fixup', two arrows branch out to 'gl_putc' and 'gl_puts'. All nodes are rectangular with black borders and monospace font.

gl_fixup

gl_putc

gl_puts
